Dear Parents/Carers

Year 9 Options Evening 2021

Your child will soon be making some very important choices as to what they will study in KS4 at Helston Community College.

Our curriculum offers a wide range of level 2 (GCSE or equivalent) courses and whilst some students will have a very clear idea what they wish to study, others may need more support and guidance. We hope that the process we have put in place will allow your child to make the best possible choices for their future.

The attached Options Booklet explains the process in great detail. Should you require a paper copy of this document, please make your request to the secretary, Ms Cann, via email or telephone (acann@helston.cornwall.sch.uk / 01326 572685).

This year Options Evening will take place on **Wednesday 10th February 2021 between 4pm and 7pm**. Due to the current restrictions, this event will be virtual and hosted on Google Classroom. Each subject will have a virtual classroom displaying key information about their course/s. During the evening there will be a series of live Google Meets, where teaching staff will produce a short presentation and then provide you with the opportunity to ask any questions. Where possible, we have tried to ensure each subject runs two sessions, so that you can build your own subject schedule for the evening.

I have attached a list of the various Google Classrooms available, the codes to join them and the timetable of live Google Meets with subject teachers. Ms Cann has produced a parent guide to the evening which can be found towards the end of the Options Booklet.

I would like to draw your attention to the 'Admin' Google Classroom which will be monitored throughout the evening by myself, Mr McFadden (SENCO/Assistant Headteacher KS3) and Ms Cann to answer any questions and provide guidance where required. You will also find a video recording of the presentation within the admin classroom which I would have delivered at the start of the evening.

Once you have decided which subjects your child would like to study, you will need to fill in the relevant Options Online Form. All the instructions are included within the guide in the Options Booklet. However, if you experience any difficulties, please do not hesitate to contact Ms Cann in the first instance.

Wishing your child every success in the next stage of their education.

Yours faithfully

Ms P Martin
Deputy Head Teacher
