28 March 2022

Dear Parents and Carers

Year 10 Remote Learning on Tuesday 29.03.22
Year 7 Remote Learning on Wednesday 30.03.22

Unfortunately, I am writing to you again to inform you that our staff absence is still considerably high and because of this, it will be necessary for some students to work from home:

- all students in Year 10 will be required to work from home on Tuesday 29 March 2022; and
- all students in Year 7 will be required to work from home on Wednesday 30 March 2022.

All work for students at home will be set on Google Classroom. No live lessons will take place, as staff will be covering other colleagues' lessons. Please support your child in accessing the remote online learning that we will be providing via Google Classroom. There are some Tutorial Videos available on [the Learning Portal](#) that are accessible via the College website.

For your information, several other schools in Cornwall have taken this difficult decision in recent weeks as a result of their own similar staffing absence.

The school is regularly in contact with Public Health England to discuss the high levels of Covid rates within the College.

If any student is unable to access their Google Classroom, they should email their year group Pastoral Support Assistant, the details of which are on our website "HCC Staff Directory" page here: [Pastoral Support Assistants](#)

It is regrettable, but it is in the safeguarding interests of the students that this decision has been made.

The current expectation is that all students will be learning on site on Thursday 31 March 2022. However, we will continue to assess the situation on a daily basis and update parents and carers via email and on the website should this change.

Yours faithfully

W. N. Jenkins

Wayne Jenkins
