Dear Parents/Carers

### Year 5 Programme of Events

As your child enters their final year of primary school in September 2023, you will be starting to consider the next stage of their education. We have designed a series of events to provide you and your child with the opportunity to get to know Helston Community College.

### Subject Taster Sessions

We are delighted to announce that we will be offering subject taster sessions to Year 5 students this summer.

The aim of these sessions is to introduce the College and provide your child with an opportunity to get to know students from other schools, prior to starting the transition process in Year 6.

Due to staff availability, we are only able to offer 30 places per session and these will be allocated on a first-come, first-served basis. Sessions will be advertised to our designated feeder schools in the first instance. Our 12 designated feeder schools include: Boskenwyn, Breage, Germoe, Godolphin, Halwin, Nansloe, Parc Eglos, Porthleven, Sithney, St Michael's, Trannack and Wendron.

To give everyone the opportunity to visit the College, we ask that your child selects a maximum of 3 subject sessions.
