

Dear Parent/Guardian

Tetanus/Diphtheria/Polio and Meningitis ACWY Booster Vaccinations

Do you have a son or daughter in year 10?

Did they receive their teenage booster vaccinations in year 9?

- If you have already submitted a form giving consent for the Tetanus/Diphtheria/Polio and Meningitis ACWY vaccination you do not need to re-submit. If you are unsure, please call the team on **01872 221105** and we will be able to advise.
- If you have not submitted a consent form, please click on this link <http://bit.ly/32OlzYS> and enter the unique school code **EE143981** where asked to do so. **If you are typing the code, please ensure you type it in full in order to access the form.**
- We will be visiting the school on **Friday 15 July 2022** and again later in the year as well as running some community catch-up clinics at various venues around the county. We will give every opportunity for you to have your child immunised. Please submit your consent form **by midday on Tuesday 12 July 2022** in order to ensure your child receives their vaccination..
- ***Your child can self-consent to treatment if they are considered competent to do so by one of our nurses; this is known as Gillick competency. If you require any further information in this regard, please contact us.***

For more information about the Tetanus/Diphtheria/Polio and Meningitis ACWY programme please click [Here](#) please also note that as in previous years you must **opt-in** to the programme. If a consent form is not submitted your child might **not** be vaccinated. If you decide not to have your child vaccinated it would help us if you complete a form and tick 'no' consent stating your reasons.

We are trying to improve how we communicate with patients. Please tell us if you need information in a different format or communication support.

Yours faithfully
