

20 June 2022

Dear Parent/Carer

Year 11 Prom

Tuesday 5 July 2022, Tregenna Castle, St Ives 6.30pm to 10.30pm

I am delighted to be writing with the final information on the Class of 2022 Prom. We have the food on order, the music chosen, outfits sorted and now we just need the final details to ensure the event goes ahead smoothly.

The Prom starts at 6.30pm. Arrival is via the main gate please use the one-way system to drop your child off by the main building. You will not be able to park there. There will be staff available from 6.00pm should you wish to take some photos before the event starts. There is parking available as you go in, please do not leave cars in the way and unsupervised when taking photos. Tregenna have let us know that they will not allow any limousines into the hotel area. Student will be dropped off by the entrance gate and will need to walk up.

We have a professional photographer available throughout the evening, there is a QR code below should you wish to have any professional prints. This is a private enterprise. Your child will have access to the photos via the google classroom. These are free for them to download and to keep. They do not need to have the photos printed via the QR code. Again this was something requested by previous parents (Code: upifgqm). We also have a photo booth, also free of charge, where they can take photos and print off keepsakes. These photos will be stored on a password protected server accessible solely to them. Which they can download for free. Should you not wish your child's images to be on the server please advise them not to use the photo booth. We will remind them of this on the day.

The Prom ends at 10.30pm, please can I ask you to turn up promptly, staff will be teaching in the morning. I would recommend from last years that you discuss with your child a pick up place. If you have any concerns please email sbarnes@helston.cornwall.sch or give your child a call and ask them to see a member of staff.

I am hopeful that all students will be able to attend. Please note however that the College reserves the right to refuse any student whose behaviour does not meet the College's expected standards. If there are any last minute issues we will post instructions on the Google classroom above but also on the College website.

I am really proud and excited for them to have this special event. They will thoroughly enjoy it I am sure.

Yours sincerely

Mrs Siobhan Barnes
Director of KS4
