Dear Parent/Carer

County Lines Awareness Session

On Thursday 23 and Friday 24 June all Year 10 students will take part in a County Lines awareness workshop with the local Police. These sessions aim to raise awareness of what County Lines are and the legal consequences for involvement in County Lines. The Police will also provide essential advice and guidance to support students who may be involved or know of someone who is involved and how to report that both within school and externally.

Following these workshops, there will be an ongoing programme of support provided through PSHE lessons. As a College we will continue to deliver a powerful, supportive curriculum that aims to keep all children safe.

We continue to encourage all students and parents/carers to report any concerns they may have to the Helston Community College Safeguarding team.

Thank you for your continued support in keeping the students at Helston Community College safe.

Kind regards

Mrs M Mugford
Assistant Headteacher
