Dear Parent/Guardian

## **YOUR CHILD'S MENINGITIS ACWY AND TETANUS/DIPHTHERIA/POLIO VACCINATIONS ARE NOW DUE**

Kernow Health is delivering the school-age immunisation programme in Cornwall and Devon on behalf of NHS England. We will be immunising **year 9 girls and boys** against Tetanus/Diphtheria/Polio and Meningitis ACWY during this academic year, 2024/25.

### **Meningitis ACWY**

This vaccine protects against Meningitis (inflammation of the brain) and Septicaemia (blood poisoning) caused by Meningococcal groups A, C, W and Y.

The vaccine is being offered in response to a rapid increase in cases of Meningococcal disease group W, an aggressive strain.

### **Tetanus/Diphtheria/Polio**

Your child will also receive an immunisation against Tetanus, Diphtheria and Polio, also known as 3-in-1 or the Td/IPV vaccine, is given as a single injection into the upper arm to boost your child's protection against the three separate diseases.

This vaccine is available **for all young people in school year 9** and is generally given at the same time as the Meningitis ACWY vaccine.

These vaccines will normally complete your child's immunisation in accordance with the NHS England schedule.

Please click the following link to access the online consent form  
<https://www.kernowimmunisations.co.uk/Forms/DTP.aspx>

Please quote the unique school code. The code for your school is **EE143981**

Our visit to your child's school is **on Thursday 3 July 2025** and you will need to submit your form **by midday on Monday 30 June 2025** to ensure your child receives their vaccination. As well as visits to the school we will be running catch-up clinics during the course of the year to give every opportunity for your child to be immunised. If you experience any problems accessing the form, please telephone **01872 221105** for Cornwall schools and 01392 342678 for Devon schools; the team will be very happy to help.

[pil.4118.pdf \(medicines.org.uk\)](#)

As in previous years you must **opt-in** to the programme. If a consent form is not submitted your child might not be vaccinated.

- ***Please note: Your child can self-consent to treatment if they are considered competent to do so by one of our nurses; this is known as Gillick competency. If you require any further information in this regard, please contact us. For more information please go to <https://www.nhs.uk/conditions/consent-to-treatment/children/>***

We are trying to improve how we communicate with patients. Please tell us if you need information in a different format or communication support.

**If you consent but then wish to withdraw consent, please contact Kernow Health in the first instance.**

Yours faithfully

Dr Paul Cook
