

PROVIDER ACCESS POLICY STATEMENT

(To include The Department of Education, July 2021: “Baker Clause” and the Provider Access Legislation, January 2023)

Ownership: Helston Community College part of Truro and Penwith Academy Trust

Date updated: 1 May 2025

Rationale

High quality careers education and guidance in school or college is critical to young people's futures. It helps to prepare them for the workplace by providing a clear understanding of the world of work including the routes to jobs and careers that they might find engaging and rewarding. It supports them to acquire the self-development and career management skills they need to achieve positive employment destinations. This helps students to choose their pathways, improve their life opportunities and contribute to a productive and successful economy.

As the number of apprenticeships rises every year, it becomes increasingly important that all young people have a full understanding of all the options available to them post-16 and post-18 including wider technical education options such as T-Levels and Higher Technical Qualifications.

Commitment

Helston Community College is committed to ensuring there is an opportunity for a range of education and training providers to access students, for the purpose of informing them about approved technical education qualifications and apprenticeships *Helston Community College* is fully aware of the responsibility to set students on the path that will secure the best outcome which will enable them to progress in education and work and give employers the highly skilled people they need. That means acting impartially, in line with the statutory duty, and not showing bias towards any route, be that academic or technical.

Helston Community College endeavours to ensure that all students are aware of all routes to higher skills and are able to access information on technical options and apprenticeships (The Department of Education, July 2021: “Baker Clause”: supporting students to understand the full range of education and training options, and the Provider Access Legislation, January 2023).

Aims

The *Helston Community College* Protocol for Access to other education, training and apprenticeship providers has the following aims:

- To develop the knowledge and awareness of our students of all career pathways available to them, including technical qualifications and apprenticeships.

- To support young people to be able to learn more about opportunities for education and training outside of school before making crucial choices about their future options.
- To reduce drop out from courses and avoid the risk of students becoming NEET (Young people not in education, employment or training).
- **Student Entitlement**
- *Helston Community College* fully supports the statutory requirement for students to have direct access to other providers of further education training, technical training and apprenticeships. The school will comply with the new legal requirement to put on at least six encounters with providers of approved technical education qualifications or apprenticeships:
 - KS3 X2
 - KS4 X2
 - KS5 X2

This will be done in assemblies in National Apprenticeship Week and National Careers Week, in addition to providers attending careers events at school or at each Trust school:

Development

This policy has been developed and is reviewed annually by the Careers Leader and LMC based on current good practice guidelines by the Department for Education.

Links with other policies

It supports and is underpinned by key school policies including those for Careers, Child Protection, Equality and Diversity, and SEND.

Equality and Diversity

Access to other providers is available and promoted to allow all students to access information about other providers of further education and apprenticeships. *Helston Community College* is committed to encouraging all students to make decisions about their future based on impartial information.

Requests for access

Requests for access should be directed to Martin Woolcock, Careers Leader. Martin Woolcock may be contacted by telephone or email, mwoolcock@helston.tpacademytrust.org, Tel 01326572685.

Grounds for granting requests for access

Access will be given for providers to attend during school assemblies, timetabled Careers or PSHE lessons and Careers or Raising Aspirations events that *Helston Community College* is arranging. Students may also travel to visit another provider as part of the trip to be organised in partnership with *Truro and Penwith Academy Trust*.

Details of premises or facilities to be provided to a person who is given access

Helston Community College will provide an appropriate room or assembly hall to be agreed. All rooms devices for sharing presentations. The Careers Leader will organise this, working closely with the provider to ensure the facilities are appropriate to the audience. Appropriate safeguarding checks will be carried out. Providers will be met and supervised by a member of the school staff who will facilitate unless a valid Letter of Assurance has been provided in advance.

Live/Virtual encounters

Helston Community College will consider live online encounters with providers where requested, and these may be broadcast into classrooms or the school assembly hall. Technology checks in advance will be required to ensure compatibility of systems.

Parents and Carers

Parental involvement is encouraged, and parents may be invited to attend the events to meet the providers.

Management

The Careers Leader coordinates all provider requests and is responsible to his/her senior management line manager.

Complaints Procedure

Any complaints about this policy should be raised to Samantha Phillips of *Helston Community College*, email: sphillips@helston.tpacademytrust.org.

Samantha Phillips will raise the complaint to Alex Lingard, the Headteacher of *Helston Community College*.

Monitoring review and evaluation
