Dear Parent/Carer

Helston Community College Sports Day
Wednesday 7th July 2021

I am pleased to share that Helston Community College Sports Day will be taking place on Wednesday 7th July 2021. The format of the Sports Day will feature a range of activities in which students can participate. These include football, rounders and tug of war, as well as track and field-based athletics events.

Sports Day will be a whole day event with all students expected to arrive at College wearing their PE kit ready for the activities. Students are also encouraged to bring a coat/tracksuit, sun cream, a hat, a packed lunch and enough water to last the day. Please note that due to Covid Guidelines **we are not able to refill drink bottles during the day. Students will need to come in with sufficient water to last them the duration of the day.**

The College canteen will be serving food throughout the course of the day from a marquee on the field. This will include pasties, cold snacks, and bottles of water. **Students must bring cash as the cashless system will not be in operation on the field.** Any students eligible for Free School Meals will be able to acquire food from the marquee up to their usual value.

All activities will take place on the field beside the Fire Station, with football being hosted on our new 3G pitch on North Site. These activities will run during the timings of the normal school day, and students will be expected to report to their tutor in the usual manner at 8.40am.

This year, there will be a change to the usual format of the day. Due to the restrictions imposed by Covid we unfortunately will not be able to accommodate parents/carers/visitors to watch the activities.

Please note that we have a reserve date of Thursday 8th July 2021, should the weather prevent Sports Day from taking place on Wednesday 7th July 2021. We will update the college website with further details if the decision to postpone is made.

Thanking you in advance for your support of Helston Community College's Sports Day.

Yours faithfully

M Woolcock
