Dear Parent/Guardian

Human Papilloma Virus (HPV) Vaccine

Do you have a child in year 9? Did they receive their HPV vaccination in year 8?

- If you have already submitted a form giving consent for the HPV vaccination you do not need to re-submit. This is because you have consented to the full treatment, i.e. 2 doses of the vaccine. If you are unsure, please call the team on **01872 221105** and we will be able to advise. **If you have consented and now wish to withdraw consent, please contact Kernow Health in the first instance.**
- If you have not submitted a consent form, please click on this link <https://bit.ly/31qeZLb> and enter the unique school code **EE143981** where asked to do so.
- We will be visiting the school on **Wednesday 21st September 2022** and again later in the year as well as running some community catch-up clinics at various venues around the county. We will give every opportunity for you to have your child immunised. Please submit your consent form by **midday on Friday 16th September 2022** in order to ensure your child receives their vaccination.
- ***Your child can self-consent to treatment if they are considered competent to do so by one of our nurses; this is known as Gillick competency. If you require any further information in this regard, please contact us or go to <https://www.nhs.uk/conditions/consent-to-treatment/children/>***

For more information about the HPV programme please click [here](#) please also note that as in previous years you must **opt-in** to the programme. If a consent form is not submitted your child might **not** be vaccinated. If you decide not to have your child vaccinated it would help us if you complete a form and tick 'no' consent stating your reasons.

We are trying to improve how we communicate with patients. Please tell us if you need information in a different format or communication support.

Yours faithfully
