Dear Parents and Carers

HCC Virtual Open Evening

Usually at this time of year we are looking forward to welcoming families to the college for our community Open Evening, to explore the campus and meet staff and students. Unfortunately due to the current Covid restrictions, we are unable to provide this opportunity at present.

In place of this event, we would like to invite you to take part in a virtual Open Evening which will include a presentation, question and answer session hosted on Google Meet, virtual tour and videos from the various faculties. This information will be accessible via our college website the week commencing 28th September 2020: <https://www.helston.cornwall.sch.uk/web>

Google Meet Presentation

The first event of our virtual Open Evening is a presentation via Google Meet where you will be able to engage with members of the Senior Leadership Team and have the opportunity to ask questions.

To enable as many as possible to take part, we will deliver the presentation on two dates as listed below. Please note that Google Meet has a limit of 250 participants per session, therefore if you are unsuccessful on the first date, please attend the second.
